

*Zero Defect Antennas
and
Telecommunications
Equipment*

CAPABILITIES STATEMENT

Delivering a range of antennas and other communications and electrical equipment, to include custom-made solutions to ensure that our customers have access to high-quality, cost-effective antennas with outstanding performance! Since 2008, we've been committed to rolling out new products with advanced technologies and we are ready to meet the demands of 5G antenna applications.

CORE COMPETENCIES

Premium Antennas

- Yagi
- Omni Directional
- Parabolic Grid
- Magnetic Mount (Mobile)
- Rubber Duckies
- Customized Antenna Manufacturer

Coaxial Cable

- Customized Cable Assemblies
- LMR 400, 240, 195, RG58
- Bulk Cable

Telecommunications Equipment

- Integrated Telemetry | SCADA | Industrial Control Solutions
- Connectors
- Couplers
- Adapters
- Surge Arresters
- Attenuators

DIFFERENTIATORS

Distinguished provider of quality telecommunications equipment at a competitive cost creating value for our Clients. The preferred antenna provider for AT&T. Antennas and equipment trusted for critical missions by Federal agencies including FEMA, FAA, and the Department of Defense. Proven Telemetry and SCADA solutions for Mining, Oil & Gas and public utilities across the world. Authorized XetaWave Reseller.

KEY CLIENTS

FEMA, FAA, Raytheon, Naval Surface Warfare Center, Dahlgren, Innovative Wireless Technologies (IWT), AT&T, Analytic Stress Relieving, Inc.(ARSI), DATTO/Kaseya

PAST PERFORMANCE

FEMA, FAA, NSWC: Micro-purchase - Delivered antennas to support mission critical objectives.

IWT: Custom designed and delivered mission specific antenna prototype and consistently deliver 500 custom Yagi antennas monthly (Mining Industry)

DATTO: Established reliable supply chain partnership in support of DATTO proprietary mobile radio. Reliably provide 450-600 Rubber duckies per quarter (Supply Chain)

ARSI: Established as a single source-provider for all telecommunications equipment to alleviate supply chain disconnects. Provide integrated SCADA electrical equipment portfolio to include radios, antennas, cable jumpers, connectors, surge arrestors, magnetic mount antennas and more monthly to support this Oil & Gas solutions provider.

Company Snapshot

Established: 2008

EIN: 800205606

UEI: FZL4UBELQV67

CAGE: 5XRL7

Accept Credit and Purchase Cards

Pertinent Codes

MAS Category: Information Technology

SIN: 33411- Purchasing of New Electronic Equipment

NAICS:

334220 - Radio & TV Broadcasting and Wireless Equipment

334511 - Search, Detection, Navigation, Guidance, Aeronautical, and Nautical System and Instrument Manufacturing

334515 - Instrument Manufacturing for Measuring & Testing Electricity and Electrical Signals

423610 - Coaxial Cable Merchant and Wholesalers; Wiring Supplies and Related Equipment

541519 - Other Computer Related Services
